

Setting up payment for your website

Payment for your website is made through recurring payments that are billed to your credit card once per month at the value of \$50+applicable taxes. You will receive an invoice by email each month for your records. We use Paypal as our payment merchant, however you do not need to have a Paypal account to use our services. Please follow the instructions below.

STEP 1 – CLICK “SUBSCRIBE”

Navigate to <http://www.themediafarm.ca/payments> in your web browser and select the country/province in which your business is located then click the “Subscribe” button, upon which you will be taken to a Paypal page.

The screenshot shows the Media Farm website's payment interface. At the top left is the Media Farm logo. On the top right, it says "Call Toll Free 866.543.1999". Below the logo is a navigation menu with links for Home, About, Pricing, Portfolio, Contact, and a More dropdown. The main content area features a section titled "Monthly Website Improvement Package". To the left of this section is descriptive text about the package, including a link to a "payments help guide" and a cancellation policy. To the right is a form for selecting a country and province, currently set to "Canada - NS : \$57.50CAD - monthly". Below this is a prominent yellow "Subscribe" button, which is circled in red with a red arrow pointing to it. Underneath the button are logos for VISA, MasterCard, Discover, and American Express. A note below the logos states: "Note: Debit cards must have VISA or Mastercard." Below the "Monthly Website Improvement Package" section is another section titled "Making A Custom Payment". This section includes a "PayPal VERIFIED" logo, a list of payment methods (VISA, MasterCard, Discover, PayPal, eCHECK), and a "PayPal Buyer Protection" logo. To the right of these logos is a paragraph of instructions for making a custom payment. Below the instructions is a form with two input fields: "Item Details" and "Amount", followed by a "Submit" button. At the bottom left of the page, there is a copyright notice: "Copyright 2011 The Media Farm Nova Scotia Website Design | Terms & Conditions". A large, faint watermark of the Media Farm logo is visible in the background of the page.

STEP 2 – CHOOSE CREDIT CARD OPTION

After clicking the subscribe button, you will be given the option to either pay using an existing Paypal account (which must have a credit card and/or bank account attached) or to pay directly from your credit card. You may choose either option but we recommend, for simplicity, just using your credit card per the below screenshot.

STEP 3 – INPUT CREDIT CARD INFORMATION

Make sure the “No Paypal account” option is checked (unless you wish to use your existing Paypal account – which must already have a credit card attached). Insert your credit card information into the form, making sure that all details are correct, then click the “Continue” button at the bottom right.
